A Report On:

"Meet With Geek"

Date: 05/10/2024

Organized by:

GeeksforGeeks Student Chapter BVM

Information Technology Engineering Department

BIRLA VISHVAKARMA MAHAVIDYALAYA

(An Autonomous Instituition)

Event Title: Meet With Geeks
Date: 05/10/2024
Duration: 12:30 PM to 2:30 PM
Venue: Offline (B203)
Inaugurated By: Prof. Nilesh Sir and Prachi Mam **Speakers**:

- Aditya Desai (3rd Year CP)
- Rahul Parmar (3rd Year IT)
- Vihaa Shah (2nd Year IT)
- Tirth Gohil (3rd Year IT)

Event Coordinators:

- Ninad Erapale
- Himani Thattil

Number of Participants: 40+
Student Chapter Association: GFGSCBVM and IT Department

Objectives of the Event:

1. **AI Utilization**: To provide students with a practical understanding of how Artificial Intelligence can be applied in real-world projects and industries, bridging the gap between theoretical knowledge and practical implementation.
2. **Career Development**: To offer students clear insights into planning their career paths in the fields of AI and IT, focusing on essential skills, industry demands, and the importance of ongoing learning for future success.
3. **Resume Building**: To equip students with the tools to craft standout resumes that reflect their skills and experiences effectively, helping them make a strong impression in a competitive job market.
4. **Networking and Skill Enhancement**: To foster connections among students, mentors, and industry experts, while promoting the development of essential communication and professional skills necessary for career growth.

About the Event:

- **Inauguration and Inspirational Words**: The event was inaugurated by Prof. Nilesh Sir and Prachi Mam, who shared inspiring words to motivate the students in their tech journeys.
- **Sessions and Speakers**:
  1. Effective Speaking: Delivered by Aditya Desai (3rd Year CP), focusing on mastering communication skills, an essential aspect for career success.
  2. Career Roadmap: Led by Rahul Parmar (3rd Year IT), this session provided guidance on career development and long-term planning in the tech industry.
  3. Resume Building: Vihaa Shah (2nd Year IT) shared insights on crafting a standout resume that can grab the attention of recruiters.
  4. Internship and Networking: Aditya Desai returned with a session on the importance of internships and networking, offering practical tips to maximize these opportunities.
  5. AI Utilization: Tirth Gohil (3rd Year IT) presented strategies on how to integrate AI into real-world projects, providing hands-on guidance for students.
- **Fun Quiz and AI Prompts Competition**: The event featured a short, fun quiz, followed by the highly engaging **AI Prompts Competition for Image Generation**. Participants showcased their creativity by generating AI-based image prompts. The winners were awarded exciting GeeksforGeeks goodies.
- **Community Building**: Throughout the event, students had the opportunity to network with peers, speakers, and faculty members, fostering a supportive and collaborative environment.

Outcome of the Event:

- **Enhanced Knowledge in AI Utilization**: Participants gained valuable insights into the practical applications of AI, learning how to leverage it in their projects.
- **Skill Development**: The sessions on resume building, communication, and networking helped students sharpen essential career skills.
- **Career Planning**: Students received clear guidance on the skills and steps needed to succeed in their AI and IT careers.
- **Engagement and Enthusiasm**: The interactive Q&A sessions and the high energy during the **AI Prompts Competition** for image generation reflected strong engagement from participants.
- **Inspiring and Motivational**: The inaugural speeches and personal insights shared by the speakers encouraged students to take proactive steps toward their career growth.

Participation list:
